WHERE CAN I SHOP?

These veterans and caregivers will be able to access:

- Commissaries*

- And more!

**DoD is required to charge a small fee to new users who are eligible solely under the Purple Heart and Disabled Veterans Equal Access Act of 2018, to cover any increase in costs to the U.S. Treasury for processing commercial credit and debit cards.*

REQUIRED DOCUMENTATION

Veterans will need a Veteran Health Identification Card (VHIC) that displays **"MEDAL OF HONOR", "PURPLE HEART", "FORMER POW,"** or **"SERVICE CONNECTED"** below the photo on the front of the card for installation and benefit access.

Veterans who have a zero percent service-connected disability rating and have been placed in VA Priority Group 8E, may use the Health Eligibility Center (HEC) Form H623A paired with a REAL -ID compliant identification for installation and benefit access.

Primary Family Caregivers will receive an official letter from the VA Office of Community Care that indicates eligibility for DoD privileges will be loaded by the Department on Veterans Affairs (**BEFORE coming to the VCC**) paired with an acceptable credential* (e.g. REAL ID-compliant driver's license) for installation and benefit access.

HOW DO I GET ACCESS?

Upon the first visit to the installation, eligible veterans and caregivers must present their required documentation at the F.E. WARREN AFB VISITOR CONTROL CENTER.

The VCC will verify your identity and purpose of visit, then run an on-the-spot background check as they do for all individuals seeking access to DoD installations.

If you are recommended for access with the background check, your acceptable credential may be enrolled for recurring access, eliminating the need to stop at the visitor control center upon each visit.

HOW DO I GET A VHIC?

VHIC cards are issued to veterans enrolled in VA health care. *Will usually take 7-10 business days to be mailed*
