

**NOTICE OF AVAILABILITY  
DRAFT ENVIRONMENTAL ASSESSMENT  
AND  
DRAFT FINDING OF NO SIGNIFICANT IMPACT  
FOR  
F. E. WARREN AIR FORCE BASE, CHEYENNE WYOMING**

F.E. Warren Air Force Base (FEW) announces the availability of and invites public comment on the Draft Environmental Assessment (EA) and Draft Finding of No Significant Impact (FONSI) for the proposed Missile Transfer Facility (WSMF).

Under the Proposed Action, FEW would construct a new Missile Transfer Facility.

The Draft EA demonstrates that the Proposed Action would not significantly impact the environment and supports a FONSI. Consequently, an Environmental Impact Statement is not needed.

Copies of the Draft EA and Draft FONSI are available for review until 2 January 2018 at the Laramie County Public Library, 2200 Pioneer Avenue, Cheyenne, Wyoming. The Draft EA and Draft FONSI are available online at <http://www.warren.af.mil/>
