

**NOTICE OF AVAILABILITY
DRAFT ENVIRONMENTAL ASSESSMENT
AND
DRAFT FINDING OF NO SIGNIFICANT IMPACT/
FINDING OF NO PRACTICABLE ALTERNATIVE
FOR
THE GATE 5/CENTRAL AVENUE REDEVELOPMENT
AT
F. E. WARREN AIR FORCE BASE, CHEYENNE WYOMING**

F.E. Warren Air Force Base (FEW) announces the availability of and invites public comment on the Draft Environmental Assessment (**EA**), the Draft Finding of No Significant Impact (**FONSI**) and the Draft Finding of No Practicable Alternative (**FONPA**) for the proposed Redevelopment of Gate 5/Central Avenue.

Under the Proposed Action, FEW would redevelop Gate 5/Central Avenue to address safety and force protection deficiencies in the current configuration.

The Draft EA illustrates that the Proposed Action does not constitute a major federal action significantly affecting the quality of the human environment and supports a FONSI. Consequently, an Environmental Impact Statement is not needed. The proposed action is subject to the Clean Water Act Sections 401, 404 and 404(b)(1) guidelines, and the requirements and objectives of EO 11990, Protection of Wetlands. The proposed action is subject to review by or under the jurisdiction of the Wyoming State Historic Preservation Office, the U.S. Department of Fish and Wildlife and the U.S. Army Corps of Engineers Wyoming Regulatory Office. FEW solicited comments from each of these agencies.

Copies of the Draft EA and Draft FONSI are available for review until 26 June 2020. The Draft EA and Draft FONSI are available online at <https://www.warren.af.mil/> or you may request one directly from Mr. Travis Beckwith, NEPA Program Manager at the address below. Please direct all comments and/or questions to:
